We're really excited to have you at our event - thank you for coming along.

We feel it's really important that folks talk more about the skills that require emotional labour, and that *You Got This* encourages more conversations around them.

We've built in plenty of time for networking, so if you need a break from people check out our quiet space up one floor from the networking area.

Enjoy the talks that we've put on, and we hope you have a great day.

Sunny, Kevin, Wilson & the rest of the You Got This 2020 team.

CODE OF CONDUCT

We aim to create an open and welcoming environment at our event so that all our attendees feel able to participate while being safe and happy.

You must practice no violence, harassment, discrimination or inappropriate content.

If what you're doing is making someone feel uncomfortable, that counts as harassment and is enough reason to stop doing it.

REPORTING BEHAVIOUR

The best way to report any unwanted behaviour is to call or text us at +447449549868, which goes to Kevin and Sunny. You can also email us at ygt@underland.events, or send us a DM on Twitter.
